

Cric-Bid

"Bid It to Win It"

In this world filled with the enthusiastic cricket fans, it is important to know how much those fans can wiggle their brains to invest some given financial resources to their perfect positions in order to achieve the maximum output.

Rules:

1. Each team will be represented by two participants
2. The team must select the name of its franchise which must be attached to the registration form.
3. The franchises will be allotted a total price of Rs. 3,00,00,000.
4. The franchise must invest this amount wisely to buy 1 batsman, 1 bowler, 1 all-rounder, 1 wicket keeper and 1 captain for their team.
5. It is compulsory for all the franchise to incorporate their team with the required players, otherwise it will be deemed disqualified.
6. The teams must be well informed in advance about all the players in the world of cricket and should make a thorough study on the stats of all players.
7. The base price of the players will be pre decided and the decision of the auctioneer will be final and binding.
8. The minimum amount to increase the bid is Rs. 5 lakh and the franchises are free to bid even more.
9. No franchise is allowed to bid if it exceed the maximum amount allotted to them.
10. The list of the players will be sent to the school a week prior to the date of the event.

Judgement: The players would carry points according to their prior performances and their statistics which the franchise must predict according to their knowledge. Each team would be judged on their basis of

- a) Best use of the financial resources available to them.
- b) Investing the correct amount in the right player
- c) If any team saves a particular amount out of their allotted price, it would be provided with extra points.
- d) Involvement in the Auction.

Prior to the event there will be a list kept in a box near the participants which will be informed to the audience.
